Restarts ** sec 2, count 8& on wall 2 and repeated on 4. The restart walls will start facing 6 o'clock and the restart is done to the 12 o'clock wall. There are no further restarts towards the end of the dance, which allows for the dance to be finished on the front wall during the 6 <sup>th</sup> wall.			

Thank you to Michelle for her help with the dance and sheet and to our tech guru Helen.
