

Lifeline

Choreographed by Travis Taylor

Music: Lifeline by Reuben Gray

Dance Description: 32 Counts, 2 Walls, Intermediate Level Line Dance

INTRO: Almost straight away, you will start as soon as the second piano hits on the lyrics.
You will need to get familiar with the music first so you can get use to it.

- 5&6& Step R behind L, 1/4 L Stepping L fwd, Step R fwd, 1/2 L Pivot weight on L
- 7-8 Rock R fwd, Replace weight on L

RESTART on Wall 5 at Count 24 (facing 12:00)

One of my favourite things about this song is as the song progresses, the music will build up.
The timing will be a little tricky the first few times you dance it, but the heavy beats after a few walls will really sync up the more you familiarise yourself with the music.
