"LIFE'S STORYBOOK COVER"

This world is a stage and we all have to take a part in the world's greatest play,
The more work you put in, the more you will find that the less that will be taken away,

For life is a book full of wisdom and truths,
And each day a page is turned over
So play your part well and someday you'll find your name
on life's storybook cover.

We've only got one chance to shine in this world
For you see this is not a rehearsal
So make sure your act comes straight from the heart
You're a product in this life's commercial,
The director is there to offer advice,
Be sure that you listen and take it,
And if you lose your way don't be frightened to say,
I am lost, please God help me to make it.

For life is a book full of wisdom and truths and each day a page is turned over
So play your part well and someday you'll find your name
on life's storybook cover.

So play your part well and someday you'll find your name
on life's storybook cover.
