Contra with the 1/4 ... Two rows facing each other [[12] & [6] with space in between the person next to you, so the dancers can pass through to the other side..

On S.4 you run towards each other, put Right hands toward the person in front of you [*Hold hands as you pass each other*] and do the 1/4 turn Right and let go hands - you will be facing [3] and other dancer facing [9] ...Restart dance.

Contra...Easy option: Don't turn on S.4, Two rows facing each other with space in between the person next to you, as you met up on **Ct. 4 on S4**. Slap [high] the hand of the person to your Left & Right, and then Vine Left and slap the next persons hands..

Make sure not to travel too much to the Left on **S 1**. Ct. 5-8 and on **S 2**. Ct. 5-8 take a bigger steps to the Right, if not you will all end up o to the Left wall. :-) **HAVE FUN!!!**
