6,& Step forward Right, make 1/2 pivot turn left onto Left
7,8 Step forward Right, make 1/2 pivot turn left onto Left

**for those dancers who have trouble with turns, you can replace the 2nd & 3rd pivot turns with a syncopated 'rocking chair' step - it is necessary to do the 1st turn though or you won't be facing the right wall.*

25-32: ROCK FWD R, REPLACE L, 1/2R SHUFFLE FWD RLR, FWD L, 1/2R FWD R, FWD L, TOGETHER R
1,2 Rock-step forward Right, replace weight back onto Left
3,&,4 Make 1/2 turn right and shuffle forward Right, Left, Right
5,6 Step forward Left, make 1/2 pivot turn onto Right
7,8 Step forward Left, step Right beside Left

**there is 'short' wall of 24 counts on the 4th repetition only, and it is necessary to make a small adjustment to the regular pattern of counts 17-24 as shown below so you are ready to restart the dance on the correct footing - what you do is take out the '&' count and the final step from the pattern and do 2 pivot turns rather than 3 - this also means that wall 4 & wall 5 will both start facing the same direction (the back wall).*

17-24:ROCK BACK R, REPLACE L, FWD R, FWD L, FWD R, 1/2L FWD L, FWD R, 1/2L FWD L, FWD R
1,&,2 Rock-step backward Right, replace weight forward onto Left, step forward Right
3,4,5 Step forward Left, step forward Right, make 1/2 pivot turn left onto Left
6,7,8 Step forward Right, make 1/2 pivot turn left onto Left, step forward Right

Because this is such a slow song, it is intended to be danced with a 'latin' feel using the hips and sliding the feet into each step.
