## START AGAIN

This dance is ideal for beginners as it has a consistent beat. To simplify for newcomers replace the  $\frac{1}{4}$  turns in sections 1 & 2 with a vine with no angle and make runs in section 3 to front wall only.

If floor space is at a premium the dance can be condensed into a two wall dance by changing the 2<sup>nd</sup> jazz box in section 4 to a jazz box with a  $\frac{1}{4}$  turn.
