9,10,11,12 Step L to left, Step R behind L, Step L to left, Touch R beside L

I love Raul Malo, he has the best voice in the whole world!

Hope you like him too...

The dance is not hard at all, in spite of the tags which are necessary to keep the dance in time to the music.... And if you don't like the dance then just give your ears the pleasure of listening to the music!

See you on the floor sometime... Jan
